

Using 90 Degree Benefits' CAA Price Comparison Tool

Take Control of Your Health Costs with Price Transparency at Your Fingertips

Available 1/1/23

Conveniently located in your 90 Degree Benefits Member Portal, the CAA Price Comparison Tool allows members to access personalized cost-sharing for health items and services provided by any participating provider.

Search for the price of healthcare services and procedures with the option to easily filter by Provider Name, Distance, Gender, and more. If a specific provider name is not used, you'll be able to view a list of providers and the related cost of services, as well as view your expected out-of-pocket costs based on current accumulator limits.

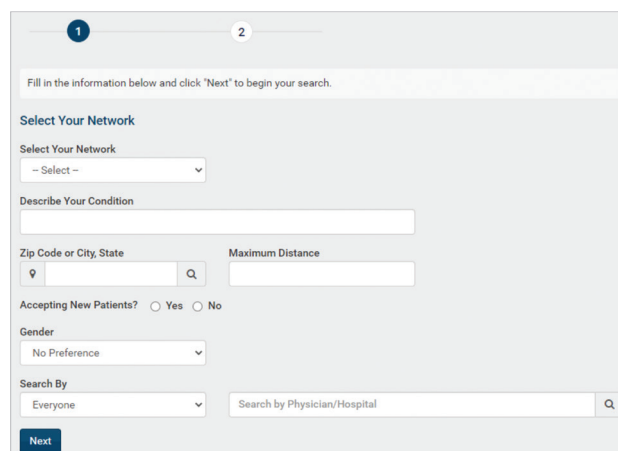

Power of Search, Power of Choice, Power of Decision

With the Price Comparison Tool, you can easily access the details you need to help make decisions for your healthcare in three easy steps.

Step One:

SEARCH FOR A PROVIDER THAT SUITS YOUR NEEDS OR PREFERENCES. FIELDS AND FILTERS INCLUDE:

- Condition/Service Needed
- Zip Code
- Maximum Distance
- Whether Provider is Accepting New Patients
- Provider Gender
- Search by Hospital/Facility, Physician or Everyone
- Search by Specific Provider Name

The screenshot shows a search interface with two steps. Step 1 is active. The form includes a dropdown for 'Select Your Network', a text field for 'Describe Your Condition', a 'Zip Code or City, State' field with a search icon, a 'Maximum Distance' field, radio buttons for 'Accepting New Patients?' (Yes/No), a 'Gender' dropdown, and a 'Search By' dropdown with a 'Search by Physician/Hospital' field and search icon. A 'Next' button is at the bottom.

Step Two:

CHOOSE FROM THE GENERATED LIST OF AVAILABLE PROVIDERS.
YOU CAN BROWSE IN CARD VIEW OR LIST VIEW.

Choose a physician and/or facility to unlock Step 3. If your medical services will take place outside of a physician's office, you may need to choose both a physician and a facility to better estimate your out-of-pocket cost.
