

Compliance Questions? 90 Degree Benefits has answers.

Compliance mandates and updates can leave employers feeling unsure and wondering, “**Is my business protected? Are my employees?**” With 90 Degree Benefits, organizations can go about business as usual with the knowledge that a team of experts is keeping their health plan up-to-date and fully compliant.

90 Degree Benefits alerts clients as soon as regulatory changes occur. Our compliance team participates at both the federal and state regulatory levels, bringing an added dimension to compliance understanding. In addition, 90 Degree Benefits’ compliance attorneys are dedicated to plan document generation, regulatory & ACA review, and amendments.

General Plan & Regulatory Compliance

90 Degree Benefits offers employers the option of full HIPAA, WCHRA, GINA, and Medicare Part D administration.

Services include:

- HIPAA Certificates of Continued Coverage which are mailed after termination, a general COBRA notice that includes the agreed COBRA rates
- Provisions of the Election Notice tracking of payments and notification of late payments
- Medicare Part D creditability assessment, notification of creditable or non-creditable plan status
- CMS filing of Med D plan information, assistance in residual drug subsidy

ACA Minimum Essential Coverage Plans (MEC)

90 Degree Benefits provides MEC programs that enable employers to build the components of a plan that fits the economic needs of both the employee and employer. 90 Degree Benefits is designing and administering these plans on a self-funded framework, with or without stop-loss protection.

ACA Management Services & Health Reform Training

90 Degree Benefits offers a broad spectrum of services for the management of ACA requirements, including in-house educational seminars to inform its clients, prospects, and insurance brokers/agents of the effects of ACA on their health plans.

90 Degree Benefits is **committed to excellence**, from plan creation to ongoing compliance management.
