

What does Caprock do?

The Problem:

Healthcare costs too much, and the price is increasing; employers are forced to offset costs onto employees through higher co-pays and deductibles.

Our Purpose:

To make health benefits affordable for employers and employees.

Why Is This Our Purpose?

Hard-working Americans deserve access to high quality, affordable healthcare.

What Does It Mean to Empower Plans?

To help employers maximize benefits, minimize costs and take control of their own plans.

How Do We Empower Plans?

We start by promoting and educating employers about self-funding. Then, we invent and implement cost containment services while delivering custom solutions to meet specific client needs.

Learn. Plan. **Save.** Protect.
